Offer Letter ID: CN-OL-2026-0288

INTERNSHIP OFFER LETTER

Dear Teli Mushera,

On behalf of CodeNova, we are pleased to offer you a project-based internship opportunity with our student-led technology community.

This internship is designed to provide practical exposure, hands-on experience, and a collaborative learning environment. You will work on real-world projects, contribute to team goals, and develop skills that will support your academic and professional growth.

By accepting this offer, you agree to participate actively in the internship program and fulfill all project requirements, deliverables, and responsibilities outlined during the internship.

Internship Expectations

- **Complete assigned projects and tasks within the agreed scope.**
- **Follow submission, documentation, and collaboration guidelines.**
- **Maintain professional communication and meet agreed deadlines.**

Program Details

Internship Domain	AI/ML
Duration	4 weeks
Start Date	10-OCT
End Date	6-NOV
Mode	Remote/Online

We look forward to your valuable contributions and a rewarding learning experience together.
Welcome to CodeNova!
